

Sandusky is located about half-way between Cleveland and Toledo, on Sandusky Bay.

From the East, West or South to the Marina:

Connect to the Ohio Turnpike or Route 2. If coming from the East, exit at Route 250, go north. Continue on 250 past the Cedar Point exit to Sycamore Line, bear to the right. Continue on Sycamore Line to Meigs Street. (Bear left at a slight "V" in the road) Cross First Street at the traffic light and continue approximately .5 miles to Battery Park on the right. Marina office is located on the 1st floor by the Damon's entrance.

If Coming from the West

Exit at Route 4. Proceed through town to Columbus Avenue, turn left. Proceed through Downtown to Water Street, turn right. Proceed to Battery Park entrance.

To Battery Park Marine Services

Follow as above, but turn right at First Street (this is where Meigs Street begins if you continue straight). Proceed about .4 miles to 1231 First Street on the left. Look for large OFFICE sign ahead.

To Cedar Point Yacht Services

Follow Cedar Point signs off Route 250. Proceed on Cedar Point Causeway to the Cedar Point parking gates. Enter the furthest left gate, advise attendant you are going to Cedar Point Yacht Services.

If you are coming from the West and exit at Route 4, follow directions above to the Marina. Proceed past the Marina entrance on Meigs Street to the first traffic light. This is First Street, turn left, proceed past Battery Park Marine Services .9 miles to Cedar Point Causeway, turn left, and proceed as above.
